**4 Bedrooms | 4 Bathrooms | 5,108 Sqft**

Nestled in a quiet cul-de-sac in desirable Dalhousie subdivision, this exceptional lakefront home offers breathtaking views of both the lake and the Dalhousie Golf Course. The spacious open concept floor plan is designed for comfortable living and effortless entertaining, with expansive windows and direct access to a large deck showcasing the stunning scenery. With over 5,000 square feet of living space, there is plenty of room for gathering and entertaining. The main level primary suite features picturesque lake views, its own access to the deck, a deluxe bath set up, and an impressive walk in closet. The finished walkout lower level includes a newly remodeled entertainment area complete with a custom bar and large screen viewing space, perfect for game days, movie nights, and hosting guests. Basement also provides great office space! Step outside to the covered patio and the newly fenced backyard, ideal spots for barbecuing and relaxing. An upper level bedroom and private bath provide excellent separation and flexibility for guests, a home office, hobby space, or additional living quarters. The unfinished area even features a painted pickle ball practice court, offering a unique recreational opportunity right at home. The roomy two car garage has a hypoxied floor and accomodates large vehicles well. This home is a rare
