3 Bedrooms | 3 Bathrooms | 2,239 Sqft

Welcome to this beautifully maintained craftsman-style ranch tucked away on a quiet cul-de-sac in Savers Farm Subdivision. This home features 3 bedrooms, 3 full bathrooms, and a finished walkout basement. Step inside to an inviting open floor plan designed for everyday living and entertaining. Just off the entry, you'll find two spacious bedrooms separated by a full bathroom that offers the perfect amount of privacy. Continue into the heart of the home where the kitchen shines with granite countertops, stainless steel appliances, a large center island, and plenty of space to gather. Just off the dining area, sliding glass doors lead to a covered deck complete with a ceiling fan, overlooking the expansive, chain-link fenced backyard that backs to a peaceful wooded area an ideal setting for relaxing or entertaining outdoors. The primary suite is tucked away for added privacy and features a spacious walk-in closet and an en-suite bathroom with a double vanity and granite countertops. The laundry room is conveniently located on the main-level, just outside the primary suite. Downstairs, the finished walkout basement provides even more living space with a large room perfect for movie nights, game days, or entertaining. You'll also find a generous bonus room, a John Deere room for lawn equipment or workshop space, an additional unfinished storage area, and a
