\$145,000

3 Bedrooms | 1 Bathroom | 976 Sqft

Welcome home to this well-maintained, single-level slab home built in 2015, offering 3 bedrooms and 1 full bath with low-maintenance living. The open layout provides comfortable everyday living, while the spacious bedrooms and walk-in closet offer plenty of storage. Enjoy the convenience of an attached, oversized garage with additional workspace. It is perfect for vehicles, hobbies, or extra storage. Situated on a peaceful lot with a wooded backdrop, this property offers privacy and room to enjoy the outdoors. Whether you're a first-time homebuyer, looking to downsize, or searching for a great investment opportunity, this move-in-ready home is one you won't want to miss out on!
