4 Bedrooms | 3 Bathrooms | 1,152 Sqft

This updated four-bedroom, three-bath home offers a surprising amount of space with everything conveniently located on one level. Inside, you'll find an open floor plan, hardwood flooring, and an eat-in kitchen with a breakfast bar. The primary bedroom features its own full bathroom, while three additional bedrooms provide plenty of flexibility for family, guests, a home office, or hobby space. Outside, the fenced yard, covered parking, detached garage, and workshop/storage area give you the extra room you've been looking for. With insulated windows, a home generator, main-level laundry, and numerous updates already completed, this home is ready for its next owner!
