Looking for a one-of-a-kind log home with breathtaking lake views? Look no further! Custom built by Katy Trails Log & Timber Frame Homes, this stunning home overlooks the beautiful Lake Kah-Tan-Da Community, where you'll enjoy access to three private lakes and peaceful surroundings. Step inside and immediately appreciate the soaring wood-lined ceilings, rustic craftsmanship, and a custom wood-burning fireplace that serves as the heart of the living room while providing exceptional heating efficiency. The open-concept floor plan is perfect for entertaining and offers seamless access to the covered porch, where you can relax and take in the picturesque lake views. The spacious main-level primary suite features a private en-suite bathroom, and main-level laundry adds convenience to everyday living. Upstairs, you'll find a generous loft overlooking the great room, filled with natural light from expansive windows, along with a private balcony and two additional bedrooms. The walk-out basement offers abundant storage and endless possibilities for future living space. Some renovations have already been completed using beautiful reclaimed barn wood, adding even more warmth and character to this unique home. The heated and cooled John Deere garage provides the perfect space for a workshop, lawn equipment, or additional storage.
