\$150,000

3 Bedrooms | 1 Bathroom | 1,225 Sqft

Nestled on nearly 3 peaceful acres just outside of town, this 3-bedroom, 1-bath home offers the privacy and space you've been looking for. Enjoy your morning coffee on the front deck or unwind in the evenings on the back patio while taking in the quiet country setting. Whether you're looking for your next home, an investment opportunity, or a property to make you own, this one has plenty of potential. Being sold AS-IS, this property is ideal for buyers and ready to add their personal touch and build equity. If you've been search for affordable acreage with endless possibilities, don't let this opportunity pass you by.
