Life is sweeter on Raspberry Lane! Nestled on an acre in a beautiful country setting, this completely updated, move-in-ready 3-bedroom, 3-bath home offers the space, style, and sought-after features you've been searching for. Step inside to an inviting open-concept floor plan featuring soaring vaulted ceilings, quartz countertops, luxury vinyl tile flooring, and plenty of room to gather and entertain. The finished walkout basement provides even more living space and includes a fourth nonconforming bonus sleeping area-perfect for guests, a home office, workout room, or hobby space. The outdoor living areas are truly showstopping! Spend your evenings relaxing on the huge screened-in patio, step through the sliding doors onto the composite deck, cool off in the above-ground pool, or gather around the firepit while taking in the peaceful pond view. Please note that the pond is not located on the property. Just when you think it can't get any better, there's a 1,000+ square-foot shop with its own paved driveway, offering incredible space for vehicles, equipment, storage, projects, or your favorite hobbies. Life truly is sweeter on Raspberry Lane-come see for yourself!
