3 Bedrooms | 1 Bathroom | 1,008 Sqft

Small town living just hits different. A quiet street, a park nearby, and a place where life moves at a pace that lets you actually enjoy it. This newly listed 3 bedroom, 1 bathroom home offers a fenced in back yard, a spacious deck for relaxing after a long day, and a large shed with plenty of room for storage, hobbies, or weekend projects. If you've been looking for a little less noise, this one might be exactly what you've been waiting for! Call me for more details or to schedule a private showing.
