Welcome to one of Jackson's most exceptional homes a true showstopper that blends luxury, comfort and privacy. Built in 2022 and offering over 6,000 finished square feet, this stunning custom home is tucked away on a peaceful 2.1-acre lot at the end of a dead-end street, providing the perfect private retreat. Designed with everyday living and entertaining in mind, the open-concept floor plan is filled with amazing natural light and showcases high-end finishes throughout. The striking double-sided gas fireplace creates a warm focal point between the main living spaces, while the chef's kitchen and spacious gathering areas flow effortlessly to the outdoor oasis. Step outside to your own resort-style backyard featuring a huge in-ground pool, expansive covered patio, and plenty of space to relax or entertain while enjoying the privacy of the surrounding property. This impressive home offers five spacious bedrooms, four full bathrooms, and two half baths, ensuring room for you and your guests. The primary suite creates a retreat with an additional quiet room, top of the line bath and a massive walk in closet complete with custom organizers. The oversized three-car garage provides abundant storage for vehicles, recreational equipment and more. The lower level boasts another expansive family room and a heated and cooled room with a glass garage
