3 Bedrooms | 1 Bathroom | 1,218 Sqft

Like something straight from the pages of a home magazine, this charming 1.5-story home is ready to welcome its new owners! Offering 3 bedrooms and 1 full bath, this home is filled with character and stylish updates throughout. The bright and airy main level features a spacious living room, an updated eat-in kitchen, a fully updated bathroom, and two comfortable carpeted bedrooms. Upstairs, you'll find the third bedroom along with a versatile flex space that's perfect for a craft room, home office, reading nook, or cozy sitting area. The lower level houses the laundry area and is currently being used as an additional family room, providing even more functional living space. The true showstopper of this property is the fully fenced backyard, beautifully landscaped and complete with a patio that's ideal for relaxing or entertaining. A 24' x 24' detached garage with rear alley access provides convenient off-street parking and plenty of storage. Cute as a button and move-in ready, this delightful home is one you won't want to miss!
