Position your business for success in one of Jackson's most desirable commercial locations. This impressive 2,256 SF brick professional office building offers a polished, welcoming presence with a full, partially finished walk-out basement, providing flexibility for future expansion, storage, or additional workspace. The thoughtfully designed layout includes multiple private offices, a conference room, reception area, breakroom, and private restrooms, making it an ideal fit for medical, dental, therapy, wellness, or other professional office users. Situated in a thriving commercial corridor just off State Route D (Independence Street), this C-2 zoned property offers excellent visibility, convenient access, and a large off-street concrete parking lot for staff and clients. Surrounded by established businesses, newer residential developments, and an active community, the location is just minutes from city parks, recreational amenities, and growing neighborhoods creating an ideal setting for serving patients, clients, or customers. Whether you're expanding an existing practice or establishing a flagship location, this property offers the professional image, accessibility, and location to help your business thrive.
