3 Bedrooms | 2 Bathrooms | 1,152 Sqft

Built in 2024, this adorable 3-bedroom, 2-bath slab home proves that great things can come in a perfectly sized package! The interior feels fresh, inviting and functional, with a charming coffee bar added to the kitchen for a little extra personality. Outside is where this property truly shines! The large, fully fenced backyard has been beautifully designed for relaxing and enjoying your own little retreat. An oversized patio and pergola create the perfect outdoor space, while fruit trees and a ready-to-use garden area make the yard both beautiful and practical. Located just outside of town, you can enjoy a little more peace and privacy while still being close to everything you need. The property may also qualify for USDA financing, making this super-cute, move-in-ready home an opportunity you won't want to miss!
